

KATHERINE WOOD

This exhibition 'Stillness Speaks' creates a place for the viewer to escape, to reflect, to meditate and simply lose oneself. These works draw us deep into their space, encouraging the viewer to contemplate these painted environments and place themselves within these imagined landscapes. With a strong focus on the natural world energy flows freely and unhindered into Katherine's works, capturing the general essence of the everchanging tempo of nature.

Allow your mind to be fluid. Rest. Breathe. Enjoy the silence that speaks to you through these art works.
