BIOGRAPHY

Andrew Grassi-Kelahaer is an artist currently based just north of Sydney on the Central Coast. This is an area with amazing scenery, stunning beaches and fits well with Andrew's love of surfing, the ocean and paintings, inspired by his surrounds.

Being an artist has always been a big part of Andrew Grassi Kelahaer's life. As a child he had paintings exhibited in major Sydney Art Prizes (of the time) and by the time he reached his early 20's he has exhibited in commercial galleries. Ever since he has been a full-time artist working either on his paintings and exhibitions or becoming involved in other creative projects such as snow sculpture in the Australian ski fields.

Over this time, he has held numerous solo shows in commercial galleries, exhibited in group shows in regional galleries and been a finalist or won art prizes on the rare occasions he enters them.
