

SIMONE READ

Untitled. 2019

Based in North West Sydney, Simone Read is an emerging Australian artist and Visual Arts teacher. Simone works with media including watercolour, inks, gouache and salts.

She graduated with a Bachelor of Visual Arts (Illustration and design) from the University of Western Sydney in 1996, Graduate Diploma in Education from the University of New England (2007) and has been a high school Visual Arts teacher and studio artist from 2008.

Through her recent body of work, Simone explores the aerial view of ocean pools around New South Wales. Flipping to a 'birds eye view' creates a sense of calm and peace as she addresses the rhythm and movement of the ocean and the stillness of the pools. A quiet calm is what Simone invites an audience to connect with. The distinct colours used become a meaningful treatment to the way Simone highlights the beauty of our ever-changing environment.
