

Neutral Bay

Show of colour

TRAFFIC Jam Galleries at Neutral Bay has a new exhibition entitled *The Colour Exhibition* from Thursday, October 6. The exhibition will feature the work of artists Rebecca Pierce and Nicolas Daunt. Daunt's work features dynamic splashes and broad brushstrokes of colour. "In a nutshell my works are simply about paint on canvas, no narrative, no hidden agendas, nothing deep and meaningful, just enjoy ...," he said. Pierce is exhibiting some of her striking landscape, still life and flower paintings. Joe Talcott from the Newslab at News Ltd is the guest speaker. The exhibition is on until October 27.
