It's time to celebrate....
traffic jam turns 1!

It is our first birthday in February!
We kick off the year with a great exhibition **'Traffic, Bumpadabumpa and the 40 Zone'**, as part of our birthday celebrations.

Appropriately, the theme of the month is 'Traffic' and will feature works from most of our Artists.

'the 40 Zone' is a special addition to the exhibition. This will consist of a number of 40 x 40 cm canvases arranged as part of the exhibition.

The opening night for **'Traffic'** is Thursday February 2nd, 6 to 9 pm. Cool jazz will set the 'mood' and refreshments will be served. We would love to see you on the night. The exhibition runs until February 23rd 2012.

2011... going... going... GONE!!

2011 the year that was. An entertaining look at **tjg's** first year on 'the island'.

HAWKER PACIFIC

A standout for **tjg** is our partnership with Hawkerc Pacific, a well recognised Aviation Services Company. Over the last few months we have filled the beautiful lounge and office areas at their Mascot FBO (Fixed Base of Operations), in Sydney. There are currently 15 works on display, and these are continually changing. With a great response from Hawkerc Pacific and the public, the exposure has been great. The change of scenery from gallery to aviation terminals is very exciting.

About Hawkerc Pacific....

Hawker Pacific is a leader in aviation sales and product support, both civil and military. They take the complexity out of owning, operating, servicing, leasing and modifying aircraft by offering a total solutions package. Their client list includes heads of state, defence forces, emergency services, specialist agencies, major corporations and private customers.
