Dinner with Danielle

Our very first 'Dinner with the Artist' was an amazing success!
Danielle McManus was our 'Artist of the Night', with our very special 'Resident Chef' **Alvin Quah** of Australian Masterchef, Series 2 fame creating his culinary delights. Our guests were treated to many taste sensations with wines specially selected by Alvin to compliment each course.
 The dinner previewed a new body of works by Danielle - featuring the 'Kiss' and 'On The Stairs' series which are exclusive to **tjg!**

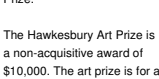

Special thanks must go to our **Dinner Guests** who made the night such a wonderful experience.
 To our sponsors, **ghrmez cupcakes**, **Mezzanine Wines** and **Selector Magazine** - thank you so very much for your support, you have been truly amazing!!
