Our Virtual Exhibitions have arrived!

New to **tjg** is our virtual section on our [Exhibition Page](#) which will feature a new Artist each month. Hover over the title of each work and a full size image will appear on a virtual wall of the gallery.

Tracey Keller has created a fantastic body of fresh works to launch this new and exciting section of our website.

On the first of each month, an Artist will release a collection of new works which will all be available in the gallery to view and purchase.

For all of our Tracey Keller fans, Tracey has truly extended her assembly of wild and domesticated animals.
