**"Vivid Sydney" by Starr & "Recent Works" by Ian Swift**

"Vivid Sydney" features stunning new works by Starr and the exhibition "Recent Works" by Ian Swift showcases his one-off sculptural works that can often be simultaneously humorous and poignant in their commentary. A huge thank you to Starr who attend on the Opening Night with her muse, Jodie. Special thanks to Ken and Green Sloan from Matheos Wines, who provided their Award Winning wines. They were both on hand to talk all things 'wine'. To our friends and guests who made the evening such a special event, THANK YOU!
