Katrina Read

Katrina Read's tranquil paintings focus on the eternal desire to find balance between the work we have to do and a place of calm where we often would rather be. Her intricate brush strokes and delicate use of mixed media transcend viewers into a peaceful underwater world. Katrina often focuses on Feng Shui principles, with the three basic principles that everything is alive, connected and changing, relayed throughout many of her works. Select pieces often reflect the auspicious numbers of eight and/or multiples of eight and nine. Katrina's works invites viewers to take a deep breath and relax with the gentle flow of the water and the movement of the fish. To view more artwork by Katrina Read, please click here.

tjg Artwork Commissions...

Looking for an artwork but you are unable to find your perfect piece in the perfect size?

traffic jam galleries are happy to offer 'Artists Commissions'. Commissioning an artwork is an enjoyable process offering the Client the opportunity to tailor a specific work to their needs. Whether it be colour, size, subject matter or style the team at traffic jam galleries work with both the selected Artist and Client to formulate an artwork you will treasure for years to come. Below are two commissions recently created for Clients at tjg.

SURFER GIRL by Starr

Was commissioned by a mother whose daughter religiously surfs and travels the world, the artwork allowed this mother to connect with her daughter even when she is on the other side of the world.

ZAPPITY by Tracey Keller Was commissioned by a mother whose son adores Zebras and had a specific size in mind, Tracey was able to create an artwork which the client loves and fits her space perfectly.
