Richard Denny

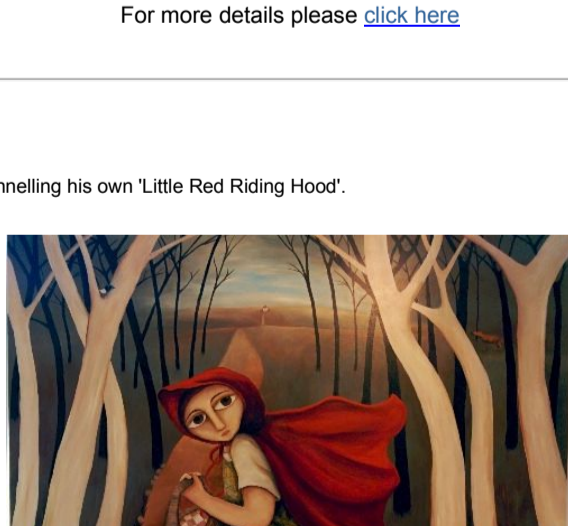

Richard Denny, one of tig's clever Artists has been selected for a 3 week Rothko residency at The Mark Rothko Center in Daugavpils, Latvia in September 2014 where the centre will acquire 2 of his works.
Also, in Sweden in December 2014, he has been selected to participate in a residency at Ricklunds Museum in Saxnas, way up in Lapland.
It will be a strange experience for Richard as at this time of year there will be only 2 hours of daylight per day and very cold!!
We wish Richard all the very best for his adventures overseas.
