Artists Studio

Philip Stallard

tjg Artist Philip Stallard invites us into his studio space

Philip's paintings often resemble diaries or letters, there is an abstract poetic discourse - colour fields play with wild but refined intensity.

Director's Choice

tjg Gallery Director Hercules with the works by Cristina Popovici Puddle Variations and Cezary Stulgis Hungry Beast

Well the holiday is over, tjg Gallery Director Hercules is overseeing procedures from his outside vantage point and is cracking the whip, instructing Kathleen and Sotiris to get back to work and keep painting. Hercules is also keeping a watchful eye on his first Gallery Assistant Penelope, who when trained will be introduced to the tjg audience. Penelope is a Spotted Python..... the menagerie is expanding !!!
