Opening 2 June 2016 both **Carole Foster** and **Julie Hutchings** will be showing new bodies of work together on the exhibition side of the gallery. ANNOUNCEMENTS

Rebecca Pierce & Loribelle Spirovski

tjg would like to congratulate both **Rebecca Pierce** and **Loribelle Spirovski** for making the Hunters Hill Art Prize 2016. Special mention goes to Rebecca for being awarded Runner Up, an award which she accepted on the night. Both Artists had two works accepted into the prize.

SPECIAL EVENT

Gillie & Marc

Next month **traffic jam galleries** will be hosting a special 2 hour event in the gallery in which **Gillie & Marc** will painting live their large fiberglass dog, Big Boy, in front of the gallery. The idea for this performance came about after graffiti was found on the work on numerous occasions. Through this performance and sealing of the new eclectic coat on the dog, **Gillie & Marc** will embrace this aspect of the work's life, and transform it into something completely new.

This event will take place at **traffic jam galleries** on Saturday 18th June, 2016, from 2 - 4 pm.

CURRENT EXHIBITION

untitled.2016

Currently showing in the gallery, and following an amazing opening evening, **untitled** at **traffic jam galleries** aims to exhibit and focus on Artists largely foreign to the gallery space that reflect a spectrum of experience, subject matter and practice, and would predominately be considered emerging. Through varied and engaging work **untitled** is a transformation of the norm into a reflection of what is to come.
