COMING UP IN MARCH - ART MONTH SYDNEY

TRACY DODS & WILL MAGUIRE

ART MONTH Sydney is a city wide festival that celebrates contemporary art and artists through a rich and diverse program of exhibitions, workshops, panel discussions, artists studio visits, tours, precinct nights and more. traffic jam galleries is thrilled to once again be taking part in this annual event.

Featuring on the exhibition side of the gallery will be artist Tracy Dods and sculptor Will Maguire. Tracy Dods' paintings reflect the merger of acute social observation with poignant symbolic metaphor to illuminate the heart of the contemporary condition. The results are expressed in colours which are bold, true and beautiful. Her work is thoroughly infused with her unequivocal commitment to human freedom.

Will Maguire is one of very few contemporary blacksmiths in Australia. Working with hot steel, forging and manipulating it, Will strives to create forms that are beautiful, genuine and new. He brings blacksmithing into the 21st Century, with a combination of striking contemporary design whilst keeping the integrity of the craft intact with his use of traditional skills learnt from masters overseas. Will's sculptures are simple responses to life bound within a complicated social, cross cultural web we choose to exist in.
